

# Exhibit: Safety Signs for Static Magnetic Fields

Post areas with either the Hazard/Emergency Information Placard or a Sign:

Hazard/Emergency Information Placard		
Sample Placard		Hazard Symbol
Required Hazard Warning	Required wording for area with fields $\geq 0.5$ mT Format: Black text on contrasting background	<b>MAGNETIC FIELD <math>\geq 5</math>Gauss</b>
	Required wording for area with fields $\geq 60$ mT Format: Black text on contrasting background	<b>MAGNETIC FIELD <math>\geq 600</math> Gauss</b>
	Required wording for area with fields $\geq 2$ T Format: Black text on contrasting background	<b>MAGNETIC FIELD <math>\geq 2</math> Tesla</b>

Area Sign		
Sample Sign		
Signal Word & Symbol	Required Word: Format: Black text on yellow background; Symbol is optional	
Required Hazard Warning	Required wording for area with fields $\geq 0.5$ mT Format: Black text on contrasting background	<b>MAGNETIC FIELD <math>\geq 5</math>Gauss</b>
	Required wording for area with fields $\geq 60$ mT Format: Black text on contrasting background	<b>MAGNETIC FIELD <math>\geq 600</math> Gauss</b>
	Required wording for area with fields $\geq 2$ T Format: Black text on contrasting background	<b>MAGNETIC FIELD <math>\geq 2</math> Tesla</b>
Optional Hazard Wording	Wording for area with fields $\geq 0.5$ mT Format: Black text on contrasting background	<ul style="list-style-type: none"> <li>•Medical Device Wearers are Not Permitted to Enter</li> <li>•Magnetic Memory Material May Be Damaged</li> </ul>
	Wording for area with fields $\geq 60$ mT Format: Black text on contrasting background	<ul style="list-style-type: none"> <li>•Safety Training on Magnetic Fields Required</li> <li>•Medical Device Wearers are Not Permitted to Enter</li> <li>•Magnetic Memory Material May Be Damaged</li> </ul>
	Wording for area with fields $\geq 2$ T Format: Black text on contrasting background	<ul style="list-style-type: none"> <li>•Safety Training on Magnetic Fields Required</li> <li>•Medical Device Wearers are Not Permitted to Enter</li> <li>•Magnetic Memory Material May Be Damaged</li> </ul>
